Short description of his working path

I graduated in 2017.

I had a 7 month internship at Intesa San Paolo, Foreign Subsidiaries, in the Multichannel and Customer Experience Office.

I am now in the second year of a Phd in Management & Innovation at Università Cattolica del Sacro Cuore. My dissertation topic is social and environmental impact measurement for hybrid enterprises.

Mentoring that he is willing to offer

I can offer mentorship on social and environmental impact measurement.
