Short description of his working path

After graduating in business administration in Turin and after two internships as “junior audit analyst”, I am now finishing my master degree in “International Management, Legislation and Society” at the Università Cattolica del Sacro Cuore and then I’ll go back to my work in the field of audit, for a multinational consultancy company in Milan.

Mentoring that he is willing to offer

Having experience in the audit and general accounting field, and having worked as MBA Business Coach assistant at the Tangaza University College in Kenya, I would be glad to offer my help in the building of business plans, focusing on the accounting documents to be included inside.
