

2021 International Certificate in Impact Entrepreneurship (ICIE)

Do you have an idea you're eager to turn into a thriving business? Are you a start-up entrepreneur looking to learn what it takes to grow your business? Or do you have a budding business you want to scale up? If so, the International Certificate in Impact Entrepreneurship programme is for you.

ICIE is an International Programme in Entrepreneurship developed for African Entrepreneurs in collaboration with the ALTIS Graduate School Business and Society. Delegates who successfully complete the programme will receive an international certificate from the Catholic University of Milan, Italy.

This 4-month programme is aimed at developing a new class of South African entrepreneurs and will be offered at our Pretoria campus. Delegates get assistance with developing a fully-fledged, investment ready Business Plan to realise or scale up their business. There is a fee applicable to the programme, TSB hopes to receive sponsorship for some delegates. You must apply to stand a chance to secure 1 of 25 spaces on the ICIE programme.
