Job fair to boost youth employment, entrepreneurship slated for Friday

Kwame Larweh / Business News / Mar - 25 - 2026 , 17:38

The E4Impact Foundation has partnered with Università Cattolica del Sacro Cuore to launch the Italian Innovation Center and the I.N.S.P.I.R.E. Entrepreneurship and Job Fair this Friday, March 27, 2026, at the University of Professional Studies, Accra (UPSA).

Funded by the Italian Agency for Development Cooperation (AICS) and the United Nations Capital Development Fund (UNCDF), the event forms a key component of the I.N.S.P.I.R.E. Project—Implementing New Solutions for the Professional Integration of Human Resources in the Entrepreneurial Ecosystem in Ghana.

This initiative seeks to drive economic resilience by integrating youth, women, and persons with disabilities (PWDs) into the formal economy.

The I.N.S.P.I.R.E. Project, led by a consortium that includes Università Cattolica del Sacro Cuore, E4Impact Foundation, UPSA, CRISP Università di Milano-Bicocca, VIS Volontariato Internazionale per lo Sviluppo, and Don Bosco Youth Network West Africa, operates across five regions: Greater Accra, Ashanti, Northern, Bono, and Western.
Its goals are ambitious: creating 1,620 sustainable jobs, supporting the scaling of 570 Small and Medium-sized Enterprises (SMEs), and upskilling 4,615 young people through specialized Vocational Training Centers. The project addresses the gap between academic training and market demands, fostering practical skills for real-world employment.

The dual launch event positions the Italian Innovation Center as a vital hub for technology transfer and business collaborations between Ghana and Italy. Located at UPSA, it will promote Italian technologies, training programs, and innovation support to enhance SME growth and competitiveness.

Organisers describe the I.N.S.P.I.R.E. Entrepreneurship and Job Fair as a "high-octane marketplace for talent and technology." Highlights include:

An Entrepreneurship Pavilion showcasing innovations from startups led by alumni and students of the MBA in Impact Entrepreneurship and Innovation.
Masterclasses on digital transformation and sustainable business models to equip participants for the global job market.

The day's schedule features a morning Visionary Leadership & Strategy session (8:30 AM – 12:00 PM) with a keynote on the I.N.S.P.I.R.E. vision, a plenary discussion on the future of work, and a startup showcase. The afternoon will shift to the career fair component.

Attendees can expect concrete benefits, such as direct interactions with hiring managers for internships and full-time roles, pitching business ideas to investors and mentors for feedback, networking with E4Impact and Ghanaian business stakeholders, and insights into applying Artificial Intelligence and sustainable practices in business.

The E4Impact Foundation, active in 20 African countries, focuses on entrepreneurship training, business accelerators, and development projects.

It has built a network of over 12,000 trained African entrepreneurs and facilitates partnerships between Italian and African companies to access new markets.

StarrFM Ghana

E4Impact Foundation and partners to launch Italian Innovation Center and I.N.S.P.I.R.E. 2026 Job Fair in Accra

March 25, 2026

On Friday, 27th March 2026, the E4Impact Foundation, in partnership with Università Cattolica del Sacro Cuore, will host a landmark event: the dual launch of the **Italian Innovation Center and the I.N.S.P.I.R.E. Entrepreneurship and Job Fair** funded by the Italian Agency for Development Cooperation (AICS) and the United Nations Capital Development Fund (UNCDF)at Amartey Towers Building, University of Professional Studies (USPA).

The I.N.S.P.I.R.E. Entrepreneurship and Job Fair is an event that represents a **decisive step in Ghana's socio-economic transformation** under the I.N.S.P.I.R.E. Project (Implementing New Solutions for the Professional Integration of Human Resources in the Entrepreneurial Ecosystem in Ghana), a strategic initiative designed to catalyze growth by integrating youth, women, and persons with disabilities (PWDs) into the formal economy, implemented by **Università Cattolica del Sacro Cuore**, **E4Impact Foundation**, **University of Professional Studies, Accra**, **CRISP Università di Milano-Bicocca**, **VIS Volontariato Internazionale per lo Sviluppo**, and **Don Bosco Youth Network West Africa**, with funding from the **Agenzia Italiana per la Cooperazione allo Svilupp18**

A Blueprint for Economic Resilience

Spanning the Greater Accra, Ashanti, Northern, Bono, and Western regions, the I.N.S.P.I.R.E. Project aims to create **1,620 sustainable jobs** and support the scaling of **570 SMEs**. By upskilling **4,615 youth** through specialized Vocational Training Centers, the project bridges the critical divide between classroom theory and market reality. This multi-stakeholder alliance, which includes UPSA, CRISP, VIS, and Don Bosco West Africa, aligns with national priorities to foster a high-caliber, pre-vetted talent pipeline.

Innovation Meets Opportunity

The program is designed as a high-octane marketplace for talent and technology. Key highlights include:

• **Inauguration of the Italian Innovation Center**: located at UPSA, this hub will serve as the premier gateway for technology transfer and commercial synergies between Ghana and Italy.

• **The Entrepreneurship Pavilion**: a dedicated space showcasing proprietary innovations from startups led by alumni and students of the MBA in Impact Entrepreneurship and Innovation.

• **Capacity Building**: Expert-led masterclasses on digital transformation and sustainable business models to prepare participants for a global labor market.

Event Schedule

Visionary Leadership & Strategy (08:30 AM – 12:00 PM)

• **Keynote Address:** *The I.N.S.P.I.R.E. Vision* – Defining the roadmap for Innovation, Networking, and Impact.

• **Plenary Session:** *The Future of Work* – An expert-led discussion on navigating the digital shift and the rising demand for green skills in the workforce.

• **Startup Showcase:** A curated exhibition featuring proprietary innovations and scalable business models from our **MBA in Impact Entrepreneurship and Innovation** students, alumni, and key industry stakeholders.

Student Opportunities & Expected Outcomes

• **Access Career Pathways:** Engage directly with hiring managers and industry partners for internship and full-time employment opportunities.

• **Showcase Innovations:** Present original business concepts to a panel of investors and mentors, gaining real-time feedback on market viability.

• **Network with Industry Leaders:** Build professional relationships with key stakeholder from the E4Impact network and the broader Ghanaian business community.

• **Bridge the Skill Gap:** Gain insights into the practical application of Artificial Intelligence and sustainable practices within modern business frameworks.

E4Impact Foundation

Present in 20 African countries with entrepreneurship training programmes, business accelerators and multiple projects, E4Impact Foundation has long promoted and operationalized win–win partnerships between Italian and African companies.

Thanks to its connection with over 12,000 trained African entrepreneurs, an extensive institutional network, and strong relationships with local business communities, E4Impact ensures Italian companies a professional and reliable approach to new markets.
